Tamp ,

Drains at the intersection of 9th and Los Angeles were cleaned. I checked all drains in the district and only a few of them were cleaned. We will keep monitoring them.

We noticed lots of debris at the intersection of 9th and Los Angeles. So, it would be good to keep looking at them. Thanks!

Hi Elmer,

When you get a chance, please schedule some time to clear the storm drains. We want to be prepared for the supposed rain we will be getting in the future. Kent tells me that we have had flooding issues in the past.

Thanks!
